

A to Z listing of Junior Sports Clubs in Bromley

Last updated September 2007

There are many opportunities to take part in sport in the borough, this A-to-Z listing aims to provide a guide to those looking for junior sports club information in Bromley. However we do not vet them all, it is therefore important that parents in particular make appropriate enquiries about the quality of service at any club. Good organisations welcome questions about their activities or events and the safety of their environment. All organisations should have a child protection policy, including guidelines on keeping children safe.
